---

---

---

---

**Home & Garden**

Root through your garage and garden shed for anything you don't need anymore.

---

---

---

---

**Medical**

Often people can use your unneeded home medical equipment. Please nothing that should be disposed of.

---

---

---

---

**Musical Instruments**

Unpack those old instruments your kids don't play anymore!

---

---

---

---

**Office & School Supplies**

Is there anything you could share with families who might need these items?

---

---

---

---

**Pet Supplies**

Please no pets! But if you have any pet supplies you don't need, share them.

---

---

---

---

**Professional Services**

What do you do that others might find valuable? You can offer these services for people.

---

---

---

---

**Sporting Goods**

Balls, bats, gloves, cleats, etc.

---

---

---

---

**Tools & Equipment**

Rummage through your garage and find any old tools you don't need anymore.

---

---

---

---

**Toys**

Put the kids to work sifting through their toy bins! What don't they play with anymore?

---

---

---

---

**Training Workshops**

What skills or hobbies can you teach? Why not offer to teach a short workshop in your area for twoshirts members?

---

---

---

---

**Miscellaneous**

Put anything that doesn't fit in this category.

---

---

---

---

## When you're finished...

When you've worked through the checklist, go back to the website and list the items you have to share and the items you need.

When someone claims an item or has an item for you an e-mail will come to your inbox with further instructions.
